Meet the Teacher Night in August. Thank you very much for providing these
supplies! It is greatly appreciated!

Dear Parents and Guardians,

Welcome to Room 18! My name is Emily Paes (pays) and it is my privilege to be your child's kindergarten teacher this year. I graduated from Hiram College in 2010, receiving a degree and licensure in Early Childhood Education. This will be my thirteenth year in the James A. Garfield School District. I had the joy of teaching Title I Reading my first year and this will be my twelfth year teaching kindergarten. I absolutely love being a kindergarten teacher! The growth kindergarteners make from the beginning of the year to the end is something that never stops amazing me. I truly am looking forward to working with both you and your child and making your child's kindergarten experience an exceptional one!

Kindergarten is such an important and exciting time in your child's life! It may be their first exposure to formal schooling. Knowing this, I have made it my goal that I strive to meet each day to ...

- Place the needs and interests of my students first
- Create a fun, nurturing yet stimulating environment where all students are engaged and challenged
- Provide a teaching style in which all lessons are developmentally appropriate and multiple learning styles are addressed to ensure the most success
- Create a child centered environment where students are not afraid to take risks or make mistakes
- Allow my students to develop a sense of responsibility, independence, self confidence, and to take pride in their work
- Develop a community of learners where students, parents and school work together to create a meaningful educational experience where each child can truly reach their full potential
- Instill a passion and love for learning in my students where they can learn and grow into being productive members of society
- Let my students know that I care about them and their accomplishments and that failure is not an option

I believe that by working together and developing a community of learners makes all the difference in a child's learning experience. I am looking forward to working with you and your child to make this a successful year. Throughout this year I will be asking for parent volunteers to help out with various activities and at class parties. At Kindergarten Orientation in August you will receive our class schedule and other important information about our classroom.

In the meantime, please keep working on the list of Kindergarten Readiness Skills and the Countdown Calendar that was sent home at the Kindergarten Parent Night. If you have any questions or concerns, please do not hesitate to contact me at epaes@jagschools.org. Have a great summer and I look forward to seeing both you and your child at Meet the Teacher Night in the fall.

Sincerely,

Emily Paes

Mrs. Schario's Kindergarten Supply List 2023-2024

welcome to
SECOND
grade

To the parents/family of _____

Hello! My name is Mrs. Brosius and I will be your teacher for the 2023-2024 school year. I am VERY excited about having you in my class this year. We are going to learn so much in second grade. There are a lot of exciting things planned for our year together.

Second grade is a special time and I want each student to be successful. I am really looking forward to teaching you all you need to know. You will receive our class schedule and other important information during Meet the Teacher night. If you have any questions or concerns, please feel free to email me at any time.

On the back of this letter is a list of school supplies needed for the school year. Please label ALL supplies with your child's name. Bring all labeled supplies to our Meet the Teacher night. Meet the Teacher night will be Wednesday, August 23rd from 5:30-6:30. This summer I want to challenge you to read every day for 20 minutes! Reading every day will grow your brain! I can not wait for our year together!

-Mrs. Brosius

email address: hbrosius@jagschools.org

Mrs. Brosius' Second Grade School Supply List

- Amazon Wish List--Miss Early 3rd Grade

Dear _____,

Hello! My name is Miss Palmer and I am going to be your third grade teacher for the upcoming 2023-2024 school year! I am SO EXCITED that I get to be your teacher. Attached you will find the school supply list for our class. You might want to take advantage of the sales throughout the summer! Feel free to bring these supplies and “move in” at Meet the Teacher Night in August. I will see you upstairs in room 209!

Our year will be filled with many fun learning activities! We will share and discuss lots of great books from different genres together at the dot spots throughout the year. We will use these shared books to support our own writing projects in Writer’s Workshop. We will work hard to master our multiplication and division facts throughout the year; this includes playing many fun games and working towards a special celebration at the end of the year! We will be going on a walking field trip in Garrettsville where we will learn some of the history of Garrettsville. In science we will be studying animals and extend our learning by taking a trip to the Akron Zoo in the Spring! These are just a few of our fun and exciting activities we will be working on in third grade.

Included with this letter is a Summer Reading Log for everyone. Bring your reading log back along with a few photos of you doing your readings in the fall to earn a special prize! Your local library is a great place to check out some fantastic books. They may even have a summer reading program that also includes prizes!

Remember to stay sharp over the summer! Try visiting these helpful websites during the summer months... Fun4thebrain.com, RoomRecess.com, ABCya.com, Freckle, and any apps and sites that you may come across. My favorite app is Freckle!

If you have any questions or concerns before the start of the school year, I can be reached at kpalmer@jagschools.org! I am looking forward to you being in my classroom next year!

Sincerely,

Miss Palmer

Miss Palmer's 3rd Grade
